NEWSLETTER

JUNE 2018

Hello everyone!

We hope you have all been enjoying the amazing weather that we are having recently. We have had some new residents join us here at Signature House; we would like to wish them a big welcome to our community!

Exercise is going great each week, our group sessions are expanding nicely, everyone is enjoying them, and I am so impressed with how everyone strives to strengthen and improve each week! Well done!

We had a visit from Emma the Harrow hawk, who Laura from Kingston Maurward brought in, what a stunning animal she was! Some found her a little intimidating, but a lot of residents had a pet of her.

Mark, our piano man came in, we had him up on 3rd floor and everyone thoroughly enjoyed the morning! Happy, chatty and loud.

Paddington in the 2nd floor lounge. Lights off, curtains drawn, popcorn and chocolate to hand, we will be following up with the 2nd one next time!

In our Creative Clay session, we made flower bowls and some birds. They will back within the next week or so! We do need to find somewhere to hang them. We did get rather messy, had a great group. It was such a Fun session and as always!

I am now starting the collages, floor by floor. We are now sorting through the collaboration of photos! There are so many to choose from for the past couple of months.

We had a meeting last week, which has verified the date of our Summer Fete here at Signature House! **SATURDAY 14th JULY!** Watch this space for more information! In the meantime, if anyone would like to kindly donate items for the bric-a-brac, tombola or grand raffle, please discuss with reception and they will be happy to help.

We will be doing some gardening ready for our competition in July.

Ooooh!, we have Donkey's visiting in our Eldridge Room, very excited about these visitors!

We are still completing all our residents' life stories, which is great, learning about all our ladies and gentleman, their past's, their adventures. Everyone is individual, and every individual has a great story that goes with them, if you are able to help provide information this would be great!

We have had children visits and Dog visits, which all of the residents have enjoyed.

The royal wedding event was a very calm atmosphere, some residents enjoyed lambrini, a buffet and some decorations. The TV was on with the royal wedding all day, they enjoyed watching it. We had red white and blue balloons, tablecloths, bunting. Some of the residents enjoy just hitting a balloon across the room to each other; it is quite fun!

Creative art!

A note from Kerry – Manager

It has been a warm few weeks! Just a gentle reminder when visiting remember to let staff know if your relative / friend has been drinking, we like to record fluid intake for some individuals to ensure they are well hydrated in this lovely weather. As staff value your privacy, they may not be able to record this.

As always we are looking for volunteers, this can be to help with anything even just reading to an individual who may not have family or helping in the garden! Please enquire at reception if you would like or know someone who would like to help in our community.

As in our last newsletter, the GDPR has come into force; we have a few outstanding consent

forms please could we request they are completed at your earliest convenience.

We have planned our community residents and relative meetings that are as follows;

1st floor community 4 July 2018 at 11am

2nd floor community 11 July 2018 at 11am

3rd floor community 12 July 2018 at 11am

Please feel free to join us!
