

SIGNATURE HOUSE NEWSLETTER MAY 2018

Welcome to May's newsletter!.

So firstly, I'll start by telling you all about our month here. We have been very busy! busy pampering a variety of residents, from a manicure to a nice hand massage. The hand massages prove very popular here, and the ladies and gentleman find it relaxing.

Exercise with communitfit instructor Craig is still going strong, this is continuing weekly with a variety of residents within the group. All our residents have different needs, and abilities. Craig is able to adapt exercises to suit the individuals needs, within a group session.

Collages on the individual floors are in the process of being made, so all of our visitors can see what their loved ones get up to here. Alongside collaborating the updated consent forms, and photo's of our ladies and gentleman.

It is nothing short of a mischief I can assure you all.

We had the queen's birthday on the 21st of April, which came together with the open day. We had a few activities downstairs in the Eldridge room with residents, alongside coffee and cake. As you can see we all had a go at the puzzle, it was a lovely afternoon, and it's safe to say ourselves and a few residents enjoyed some activities.

As you can also see our friendly giant Luna. She is a Malamute X Rhodesian ridgeback, she has the softest temperament, and the residents seem to really like her.

We have had mark the piano man downstairs in the Eldridge room, which many residents enjoyed.

A new musical entertainment is Brenda who plays the accordion, she went down well with many of our residents, especially on 3rd floor. Next month we are excited to see what our residents think of Joe, a young gentleman who has found success and has a passion and drive for singing and interacting with residents using his acoustic guitar and his vocals.

We have a garden competition coming up in July, which we hope to do our very best to spruce the garden within our grounds up, we have a theme which is the royal wedding. Any helpers are welcome!

As you can read here we have been busy here ranging from every staff member within our home team, we continue to have passion in all we do!

If any anyone has any questions at all, please don't hesitate to ask, or feel free to speak to a member of staff.

Our thoughts are with those we have lost, we have had some great memories with them, certainly enjoyed each individual character and personalities. I wish you all a very lovely day, and to enjoy and make the most of the sunny,

hot weather we are thankful to have, because we can't wait to have our picnics in the garden, strolls round the town and even

visits to the beach!

We have restarted our trips to the Brewhouse for cream tea and scones morning. With a small group they really enjoy going out for the hour, it was certainly popular, and they definitely enjoyed the scones with fresh cream and jam.
